On the right, there is a button labeled "Apply Discount Code". Below the cart items, there is a section titled "What is BBG (Buyback Guarantee)" which explains that BBG is an assurance that you get at the time of purchase of a new or refurbished device towards the value you will get when you sell your device after usage. Xtracover provides an assured buyback value to its registered customers after a period of 3 months. Thus, you get to know the sale price of your device at the time of purchase despite the market fluctuation in Price or Model getting discontinued. You can upgrade to a device by availing of the value paid by Xtracover and just invest in the differential amount.
